

PMPK capability statement

People, process and systems. Connected to outcomes.

We help boards and executive teams turn complex challenges into clear decisions, stronger organisations and practical improvements that endure.

Independent executive advisory grounded in operating reality, across infrastructure, utilities, transport, aviation, defence, data centres and public-purpose organisations.

35+ years
Leadership experience

$10.5bn
Infrastructure portfolio

How we help

- Executive advisory: practical counsel for leadership decisions.
- Board advisory: strengthen oversight and test strategic assumptions.
- Transformation leadership: align operating models and change.
- Portfolio governance: connect investment priorities and delivery.
- Operational performance: improve how the whole operation works.

What you receive

- Clear decisions and priorities.
- Practical action plans and accountabilities.
- Implementation support and stronger internal capability.

How we work

- People: leadership, capability and accountability.
- Process: workflows, governance and controls.
- Systems: information, technology and assets.

Experience behind the advice

Mission-critical operations

Led a global cloud infrastructure provider’s ANZ operations: 230+ staff and approximately $280 million annual operating expenditure.

Governance and transformation

Established governance for a major Victorian infrastructure portfolio; led transformation in data centres and operational improvement in a public-purpose organisation.

Pelagia Markogiannakis | Founder and Principal | CPPE APX GAICD. Melbourne based, supporting organisations across Australia and internationally.

Engagement

Defined reviews, board and executive counsel, transformation assignments, and interim or fractional leadership. Scope, authority and outcomes are agreed for each engagement.

Let’s discuss what your organisation needs
